| _____                                                             | _____               | _____             | _____        | _____     | _____        | _____                 |

| LEARNING ACTIVITIES IN THIS PROJECT                                                                 | New things I learned in this project: |   |   |   |  |
|-----------------------------------------------------------------------------------------------------|---------------------------------------|---|---|---|--|
| Indicate the number of times participated.<br>L = Club & Local; C = County; D = District; S = State |                                       |   |   |   |  |
|                                                                                                     | L                                     | C | D | S |  |
| Judging                                                                                             |                                       |   |   |   |  |
| Field trip/tour                                                                                     |                                       |   |   |   |  |
| Project talks                                                                                       |                                       |   |   |   |  |
| Demonstrations                                                                                      |                                       |   |   |   |  |
| Modeling                                                                                            |                                       |   |   |   |  |
| Total # of exhibits                                                                                 |                                       |   |   |   |  |
| Training meetings attended                                                                          |                                       |   |   |   |  |

Attach on a separate piece of paper: Decide which was your favorite article or outfit you constructed. Then attach fabric samples from that outfit or article. List fabric content and care instructions and attach a picture of yourself or someone else wearing the outfit or using the article you constructed.
