

4-H BEEF BREEDING RECORD

(For Purebred or Commercial Breeding Project ONLY)

Project Requirements

Purebred Heifer, Yearling Heifers or Cows
1. Own one or more registered purebred heifers, yearlings, or cows.
2. Feed and manage through the breeding, gestation, calving and nursing period.
3. Keep appropriate production records.
4. Calves produced in this project may be fed for market or breeding.
5. Identify animals properly and register with breed associations. (Kansas 4-H Beef Cow Record begins with first calf and must be submitted with this form.)

Commercial Heifers, Yearlings, Heifers or Cows
1. Own one or more heifers or cows. The cows may be grade or crossbred.
2. Breed females to good superior beef bulls.
3. Feed and manage through the breeding, gestation, calving, and nursing period. (Calves produced may be fed out or sold as feeders.)
4. Keep appropriate production records. (Kansas 4-H Beef Cow Record must be submitted with this form.)

Note: If you are raising steers from your breeding project to show as a market steer, follow these steps:
1. Include the fair market value in number 4 (sale of feeder calves); 2. Start this feeder calf on the 4-H Livestock Market Record using the same price.

If you plan to exhibit at state supervised shows, breeding animals must be registered and registration papers in the 4-H'er's name by July 1 of the current year.
